

Connect Elements to ORCID

You can connect your Elements profile to ORCID from your [Elements](#) account.

Note: if you are off campus you will need [VPN access](#) to log in to Elements.

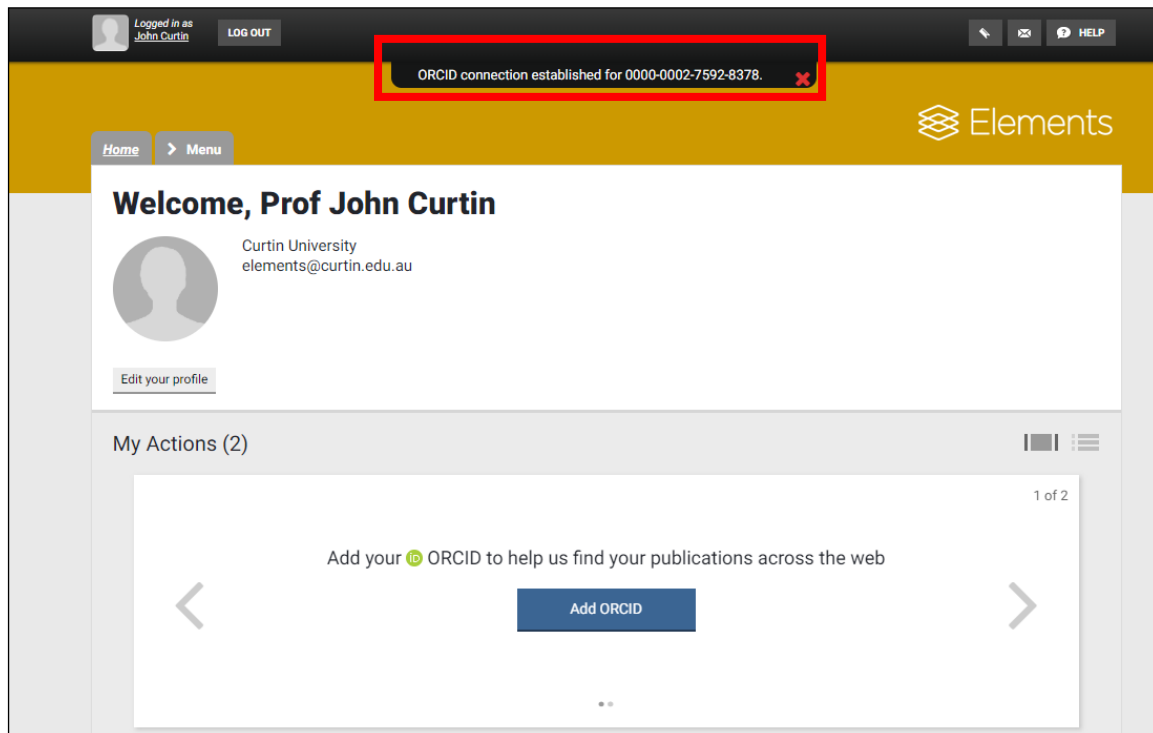

- Log in to [Elements](#).
- Under **My Actions** click on the link to **Add ORCID**.

- Sign-in using your ORCID credentials.

- Authorise Elements to connect to ORCID if prompted, and your ORCID will connect to Elements.

- To confirm your Elements profile is connected to ORCID from within Elements navigate to **Menu > Manage > Publications > Automatic claiming.**
- Under **External profiles** click on the ORCID ID symbol. If your ORCID is connected then it will display as 'connection status: configured'.
