Deposit publications to espace via Elements

Recently published?
Depositing into espace has never been easier

1. Manuscript accepted for publication
   - Published Open Access? Locate URL or DOI
   - Published subscription journal? Locate your accepted version

2. Log into Elements
   - Claim your publication
   - Select the deposit icon

3. Deposit to espace
   - Published Open Access? Enter OA location
   - Published subscription journal? Upload accepted version

4. Receive confirmation
   - Your publication has been deposited
   - Your record will display in espace and link to espace from your Staff Profile

Which manuscript version do I upload?
- Comply with your publisher licence agreement
- Deposit the accepted version
- Deposit the published version only if your agreement permits
